# MyRefinitiv key features

Simple navigation with a left-hand menu that enables you to access all features.
Please register or login here: myrefinitiv.com.

Features and content include:

1. **My Profile:** Personalize your dashboard by clicking the icon to expand the menu. You will also see a link to sign out.

2. **Search:** Covers products, documentation, notifications and FAQs.

3. **Dashboard Alerts:** See important notifications that require action.

4. **Dashboard:** Displays products you use or are used at your organization. Scroll down to see open tickets you have raised, the top-viewed data notification and personalized recommendations including training videos and articles.

5. **Products:** Access guides, training videos and FAQs for over 100 Financial and Risk products. Click the down arrow to access product **Resources & Policies**, User Administration tools and Software Downloads.

6. **Financial Data:** Access price lists, change notifications and commercial policies as well as the Product Code Look-up Tool to search by instrument code (RIC) or Permissionable Entity (PE).

7. **Notifications & Alerts:** View and subscribe to data, product, instrument (RIC) change notifications and service alerts.

8. **Billing & Pricing:** Includes content and features required to support the billing cycle. This is available to bill payers and viewers only.

9. **Support Tickets:** See any tickets you have raised including the latest status. Track queries raised at your location(s) – available on request.

10. **Access Statement:** Available to Access Statement Managers to process quarterly declarations.

11. **Training:** Access product training resources.

12. **Help & Support:** Raise and track queries and see trending FAQs.

13. **Request a Demo:** Request more details about any of our products and services.
