Register to MyRefinitiv

4. A pop-up box will display. Click **Done**. →

Your registration request is being reviewed

Thank you for registering. We are currently reviewing your application.
We will send you email confirmation within the next 24 hours with further instructions on how to proceed with access to MyRefinitiv.

Done

5. You will receive a verification email with a link to confirm your email address. Once verified, you will receive a welcome email with a link to create a password.

You will now be able to start using MyRefinitiv. If you require more information, there are links to various guides on the following page.

Do you need access to online billing?

Invoice billing contacts are automatically set up for this feature. You will see an invoice summary on the dashboard and can access billing information from the left-side menu under **Billing and Pricing**.

If you cannot see any billing details and require access, [please click here](#). Select **I need help using e-Invoicing** and complete the short form. Please be sure to:

- Provide the account number(s) you need access to and an invoice number for each account.
- Stipulate if you are the **primary** billing contact, meaning your name will display on the invoice, or if you are an additional viewer on the account.

Please note that we are migrating users from Electronic Invoicing, our legacy invoicing portal, to MyRefinitiv Billing. If you are a MyRefinitiv and Electronic Invoicing user, when you choose **Billing and Pricing** from the left-side menu, you will see a link to Electronic Invoicing.

If you have already been migrated to MyRefinitiv Billing when you choose **Billing and Pricing** from the left-side menu, you will see your account and invoice data and you can download invoice data as well as **Get Support**.

How to get Help

To raise a query about MyRefinitiv, [please click here](#). You can also submit product, content, technical, billing and administration related queries [here](#).
