

# Eikon Digest

Amplifying the signal above the noise.

Introducing Eikon Digest, a customised digest of the most relevant news, research, data and information from across Eikon.

With exclusive access to Reuters, the world's leading provider of news and financial insight, as well as over 7,500 additional pertinent sources, your Eikon Digest covers the markets including equities, commodities, fixed income and foreign exchange, companies and regions that matter most to you in a concise and easily digestible format, available in real time within Eikon and as a snapshot via email at scheduled times of your choosing.

Leveraging a unique combination of artificial intelligence and editorial curation, Eikon Digest distills the most important news into a single view that amplifies the signal, not the noise, to inform your decisions and enable your actions.

Content in your Eikon Digest is fully customized based on factors such as region, industry and portfolio.

Quick links provide easy access to the full story on Eikon desktop, Web or mobile.

Your Eikon Digest content is available in real time within the Top News app in Eikon. If you have multiple digests set up, a drop-down menu will appear where you will be able to toggle between them.

### Setting up your Eikon Digest

Setting up your personal Eikon Digest only takes a few moments and is easily managed via the Alerts app in Eikon. You can create as many customized digests as you wish.

1. Access the Alerts app from the Eikon menu bar.

2. Select **Create New Alert**.

3. Select **Eikon Digest**.

4. Customize your Digest with a range of content filters including specific asset classes, companies and regions.

5. You can opt to receive just the news headlines or with short summaries.

6. Decide when you'd like to receive your digest.

7. Enter a name for the digest along with an expiry date.

8. Click **Set**.

If this is the first time you've set up an email alert, you will be prompted to first enter and validate your email address.

**i** Any news and research language filters applied through the main Eikon Settings will also apply to content in your Eikon Digest, provided these are set before creating the digest.

### Manage your existing Eikon Digest subscriptions
